

This Merchant Agreement is entered into between the business indicated on the Merchant Application ("Merchant" or "you"), Cynergy Data ("CD" or "Processor"), and BMO Harris Bank, N.A. ("Bank"). The Processor and Bank may be collectively identified as "we" or "us" within the body of this Agreement.

Recitals

Merchant desires to accept Debit Cards and/or Credit Cards, ("Card" or collectively "Cards") as indicated on the Merchant Application. Bank and Processor desire to provide the Services to Merchant. Therefore, Merchant, Processor and Bank agree as follows:

1.1 Acceptance of Card Transactions

1.1 The following requirements apply to all Card Transactions: (a) Merchant will accept without discrimination, all valid Cards properly presented by Cardholders for payment for goods or services. Merchant will prominently display the promotional materials provided by Processor and Bank in its place(s) of business. Use of promotional materials and use of any trade name, trademark, service mark or logo type ("Marks") associated with Card(s) shall be limited to informing the public that Card(s) will be accepted at Merchant's place(s) of business. Merchant's use of promotional materials and Marks is subject to the direction of Processor and Bank. When accepting a Card, Merchant will follow the steps provided by Processor and Bank for accepting Cards and will:

- Determine in good faith and to the best of its ability that the Card is valid on its face.
- Obtain Authorization (as set forth in Section 2, below) before completing any Transaction. Where Authorization is obtained, Merchant will be deemed to warrant the true identity of the customer as the Cardholder.
- Obtain an Imprint of the Card unless the Sales Draft is electronically generated from a swiped Transaction or is the result of an Internet, mail, phone or preauthorized order. Receiving an Authorization shall not relieve the Merchant of liability for Chargeback on any Transaction for which the Merchant did not obtain an imprint and the Cardholder's signature.
- Obtain an imprint of the Card and the Cardholder's signature on the imprinted draft before processing the Sales Draft if Merchant's terminal is unable to read the magnetic stripe on the Card.
- Enter a description of the goods or services sold and the price thereof (including any applicable taxes).
- Obtain the Cardholder's signature on the Sales Draft and compare that signature to the signature on the Card.
- Deliver a true and completed copy of the Sales Draft to the Cardholder at the time of delivery of the goods or performance of the services, or if the Sales Draft is prepared by a point-of-sale terminal, at the time of the sale.
- Legibly reproduce without alteration of the original Transaction receipt, the Cardholder's name, account number, expiration date and the Merchant's name and place of business if that information is not legibly imprinted on the Sales Draft. For MasterCard Transactions, Merchant will legibly reproduce the name of the Card issuer as it appears on the face of the Card.
- Merchant is responsible for the actions of each of its employees, including their compliance with the terms and conditions hereof, and
- Any tax required to be collected must be included in the total Transaction amount and not collected in cash.
- Accept a Visa Card or Visa Electron Card for the purchase of Scrip
- Accept a Visa Travel/Money Card for a Manual Cash Disbursement
- Disburse funds in the form of travelers checks, if the sole purpose is to allow the Cardholder to make a cash purchase of goods or services from Merchant.

1.2 Prohibited Transactions.

(a) you cannot establish minimum or maximum amounts as a condition for accepting U.S. issued Debit Cards; however a minimum payment, not to exceed \$10 may be established, for all other Card brands (b) federal agencies and higher education institutions only may establish a maximum payment for all card brands except for U.S. issued Debit Cards (c) you cannot impose a surcharge or fee for accepting a Card; however, you may discount or offer incentives for other forms of payment such as Debit Cards, cash, or check (d) you cannot establish procedures that discourage, favor or discriminate against the use of any particular Card; however, you may choose not to accept either U.S. issued Debit Cards or U.S. issued Credit Cards under the terms described in Section 1.3; (e) you cannot require the Cardholder to supply any personal information (e.g., home, phone or business number; home or address; or driver's license number) unless instructed by us, except for a mail order/telephone order or delivery required transaction, and ZIP code for a Card-present key-entered Transaction in order to obtain an Address Verification (AVS) (f) you cannot submit any Transaction representing the refinance or transfer of an existing Cardholder obligation deemed uncollectible; (g) you cannot submit a Transaction or sale that has been previously charged back; (h) you are prohibited from depositing Transactions originating from Cards of owners, partners or officers of your business establishment except for Transactions that are routine in type, size and frequency for your business and that represent actual sales of goods or services. Submission of sales Transactions on Cards in order to obtain a cash advance is strictly prohibited and may result in immediate cancellation of your account; (i) cash payments by and cash disbursements to Cardholders are also prohibited; (j) you must accept any direct payments from Cardholders for charges of merchandise or services which have been included on a Sales Draft; It is the right of the Card Issuing Bank to receive such payments; (k) you may not make any cash disbursements to a Cardholder as part of a Card Transaction except to the extent expressly authorized by the Merchant Application and Agreement or the Association Rules; and (l) you cannot submit a Transaction or sale to cover a dishonored check; (m) you cannot dispute a credit Transaction without a preceding debit Transaction; (n) you cannot require a cardholder to complete a postcard or similar device that includes the cardholder's account number, card expiration date, signature or any other card data in plain view when mailed; (o) you cannot request or use a cardholder's account number for any purpose other than as payment for your goods or services, except to support the Health Care Eligibility Service or the Visa prepaid Road Network; (p) you may not process for payment any Transaction(s) representing the refinancing of an existing obligation of Cardholder including, but not limited to, obligations previously, owed to Merchant, or arising from the dishonor of a cardholder's personal check, and/or representing the collection of any other pre-existing indebtedness; (q) you shall not require any Cardholder to pay any part of any Discount Rate or charge imposed upon Merchant by this Agreement, (r) Merchant will not deposit duplicate Transactions, (s) A Card must not be accepted for the purchase of scrip, (t) A prepaid Card must not be redeemed for cash. Failure to comply with any of the Association Rules may result in fines, penalties and/or termination of this Agreement.

1.3 If you have indicated either in your Merchant Application and Agreement or by registering with us at least thirty (30) days in advance that you will limit your acceptance to either only accept Signature Debit Transactions or only accept Credit Card Transactions, then the following terms in this Section 1.3 will apply:

1.3.1 You will be authorized to refuse to accept for payment either Signature Debit or Credit Cards that are issued within the United States. You will, however, continue to be authorized to accept all foreign issued Credit or Debit Cards issued by Discover, MasterCard or Visa, so long as you accept any type of Discover, MasterCard or Visa branded Card.

1.3.2 While many Debit Cards include markings indicating debit (such as Visa CheckCard, Visa BuXx, Gift Card, DEBIT or MasterMoney), many Debit Cards do not include any such markings. It will be your responsibility to determine at the point of sale whether a Card is of a type that you have indicated that you will accept. You agree to institute appropriate systems and controls to limit your acceptance to the Card types indicated. You may purchase a table of BIN and ICA numbers currently associated with Debit Card Transactions upon execution of confidentiality/non-disclosure agreements required by the Associations. You will be responsible for updating your systems to utilize such tables and to obtain updated tables.

1.3.3 To the extent that you inadvertently or intentionally accept a Transaction that you are not registered to accept, such Transaction will downgrade to a mid or non-qualified Credit Transaction and the Discount Rate that will be applied to the Transaction will be your mid or non-qualified rate as described on page 2 of this application in the fees section.

1.3.4 Based upon Merchant's choice to accept only the Card types indicated in your Merchant Application and Agreement, you must remove from your premises any existing signage indicating that you accept all Discover, Visa or MasterCard Cards and use approved specific signage reflecting your policy of accepting only Debit Cards or Credit Cards.

1.3.5 Notwithstanding any election not to accept Credit or Signature Debit Transactions, you may still accept PIN Debit Transactions if you have signed up for PIN Debit services.

1.4 Along with this Merchant Application and Agreement, you are being provided with Operating Procedures, which contain the operating procedures, instructional and other directives related to Card Transactions. You agree that if you process Card Transactions, you will comply with and be bound by the Operating Procedures for all Transactions you process. You may also request a copy of the Operating Procedures from your sales representative and Processor at any time.

1.5 Merchant will promptly examine all statements relating to the Account and immediately notify us in writing of any errors. Merchant's written notice must include: (i) Merchant name and account number, (ii) the dollar amount of the asserted error, (iii) a description of the asserted error, and (iv) an explanation of why Merchant believes an error exists and the cause of it, if known. That written notice must be received by us within 60 days after Merchant received the periodic statement containing the error.

2 Authorization

2.1 You must obtain an Authorization for all sales that you submit to us.

2.2 An Authorization only indicates the availability of credit on an account at the time the Authorization is requested. It does not warrant that the person presenting the Card is the rightful Cardholder, nor is it a promise or guarantee that you will not be subject to a Chargeback. If you fail to obtain an Authorization or if you submit a Card Transaction after receiving a decline (even if a subsequent Authorization attempt provides an approval), your Transaction may be assessed fines or fees by the Card Associations for which you will be responsible. These fines or fees currently range from \$50 per Transaction to \$150. To avoid these costs, always obtain an Authorization directly from your terminal before submitting a Transaction for settlement.

2.3 Do not attempt to obtain an Authorization provided by someone other than us, except as described in Section 2.6. If a Cardholder or another service provider provides you with either an Authorization number or with a telephone number for obtaining Authorizations, the Authorization you receive may not be valid. Even if the Transaction is initially processed and funded, it may be subject to a Chargeback at a later date. Also, if you receive an Authorization from someone other than us, we will not have a record of it and will be unable to verify that you received the Authorization if it is later questioned in a Chargeback. Where Authorization is obtained you will be deemed to warrant the true identity of the Cardholder.

2.4 You may not attempt to obtain multiple Authorizations for a single Transaction. If a sale is declined, do not take alternative measures with the same Card to obtain an approval of the sale from other Authorizations sources. Instead, request another form of payment. If you accept and process a Transaction that was declined, or attempt to submit multiple Transactions and/or multiple Authorizations, you are subject to a Chargeback, Association Fines and/or cancellation of this Merchant Application and Agreement.

2.5 If you utilize AVS, you must review the response from the Authorization separately from the response from the AVS. A Transaction can receive an Authorization from the Issuing Bank even if AVS is unavailable or reflects that the address provided to you does not match the billing address on file at the issuer. If the authorized Cardholder disputes such a Transaction, you will be responsible for the resulting Chargeback.

2.6 Third Party Authorization System. If you have contracted with another Authorization network to obtain Credit Card Authorization, i.e., your terminal can split bill, liability resulting from discrepancies with that network must be resolved between you and that network. We will not research Chargebacks resulting from Authorization approval codes obtained from another authorization service organization. Such Chargebacks will be passed through to you for resolution. If an Authorization provided by a third party authorization system is challenged in a Chargeback, you must obtain proof (e.g., third party authorization logs) from the authorization source and submit it to us within the time frame specified on the Chargeback documentation.

IF YOU CONTRACTED TO USE ONE OF OUR AUTHORIZATION SERVICES, DO NOT USE ANOTHER THIRD PARTY SYSTEM WITHOUT NOTIFYING CUSTOMER SERVICE. OTHERWISE, WE WILL BE UNABLE TO SUCCESSFULLY RESEARCH AND DEFEND ANY AUTHORIZATION RELATED CHARGEBACKS ON YOUR BEHALF. THIS DELAY WILL SIGNIFICANTLY DECREASE YOUR TIME TO RESEARCH AND PROVIDE PROOF OF AUTHORIZATION, THIS REDUCING YOUR OPPORTUNITY TO REVERSE A CHARGEBACK.

If you utilize another authorization network, you will be responsible for the downgrade of any Transactions to a higher cost interchange that result from a mismatch of information to our systems and those of third party authorization networks.
If you use a third party authorization network, you must also comply with Section 4.10. of the Operating Procedures.

3 Sales Drafts

3.1 Each Transaction that you submit must be supported by a single Sales Draft containing all of the following: (a) a clear imprint of the Card, showing account number and expiration date, truncated if applicable, (b) the signature of the Cardholder, (c) a short description of the goods or services sold, (d) the total amount charged, (e) your business name and Merchant number, and (f) you will retain the Merchant copy of the Sales Draft or credit memorandum for at least three years following the date of completion of the Card Transaction (or such longer period as the Rules require).

3.2 Instead of an imprint of the Card on the Sales Draft, you may rely on the terminal printout of the Card account number on the Sales Draft only in cases where the terminal is able to successfully read the magnetic stripe from the Card (i.e., the Card number is not keyed in) and the Transaction is authorized by the terminal without any Referral or voice authorization.

3.3 You may not combine different papers to create a single Sales Draft. All the requirements of the Sales Draft must be met by a single page document.

3.4 You must timely provide us with copies of any Sales Drafts that we request. Failure to provide us with a valid Sales Draft may result in a Chargeback.

3.5 If you accept a Transaction where you do not obtain a Sales Draft meeting all of the requirements of Section 3.1, you do so at your own risk.

4 Mail Order, Telephone Order, Internet Transactions.

You may only engage in mail/telephone/Internet orders provided they do not exceed the percentage of your total bankcard volume reflected on your Merchant Application and Agreement. Failure to adhere to this requirement may result in cancellation of this Merchant Application and Agreement, or we may hold your funds and/or interrupt or terminate your Services. Mail/Telephone/Internet Transactions have a substantially higher risk of Charge-back. Since you will not have an imprinted or magnetically swiped Transaction and you will not have the Cardholder's signature on the Sales Draft as you would in a face-to-face Transaction, you will assume all risk associated with accepting a mail/telephone/Internet order Transaction.

5 Settlement of Card Transactions

5.1 Subject to your compliance with Association Rules and this Merchant Application and Agreement, Bank will settle the Card Transactions for Cards specified in your Merchant Application and Agreement and will initiate a transfer of applicable funds to you. Such funds shall be subject to our withholding, set-off, security and reserve rights. All settlements for Discover, MasterCard and Visa Card Transactions will be net of credits/refunds, adjustments, applicable Discount Rates when due, Chargebacks and any other amounts then due from you. All payments to you are provisional and are subject to, among other things, Chargebacks, fees and fines imposed by the Associations. We will not be liable for any delays in receipt of funds or errors in debit and credit entries caused by third parties, including, but not limited to, any Association or your financial institution.

5.2 In addition to any other remedies available to us under this Merchant Application and Agreement, we may, without prior notice, suspend payment of any funds should any Event of Default occur or if we have reason to believe there is any fraudulent activity related to the Transactions that you submit to us.

5.3 The "Combined Estimated Monthly Volume for MCN" and "Estimated Highest Ticket/Sales Amount for MCN" appearing on your Merchant Application and Agreement is the maximum monthly Transaction volume and maximum Sales Draft amount that you are permitted to submit to us. If you exceed these amounts, we may hold your funds and/or interrupt or terminate Services. Any request for an increase to these amounts is contingent upon our prior written approval.

5.4 Account Monitoring. Merchant acknowledges that Processor will monitor Merchant's daily Credit Card Transaction activity. Merchant agrees that Processor may upon reasonable grounds, divert the disbursement of Merchant's funds and/or temporarily suspend processing under this Agreement and/or terminate this Agreement, and Processor shall provide Merchant with notice of such action. Reasonable grounds shall include, but not be limited to, the following: suspicious or unusual Transaction activity; material variances in the nature of Merchant's business, type of product and/or service sold, average ticket size, monthly volume or swiped/keyed percentages, from such disclosures made by Merchant in this Agreement; Merchant does not authorize Transactions; receives excessive retrieval requests against Merchant's prior activity; excessive ACH rejects or Excessive Chargebacks are debited against Merchant's prior activity. If the Merchant's funds are diverted by Processor or Processor has temporarily suspended processing under this Agreement, such diversion or suspension shall be for any reasonable period of time required by Processor to fully investigate Merchant's account activity and resolve, to Processor's sole satisfaction, the subject questionable, suspect or fraudulent Transactions or activity of Merchant. Any funds diverted shall be maintained by Bank in a non-interest bearing account at Bank. Bank and Processor shall have no liability for any losses, either direct or indirect, which Merchant may attribute to any diversion of funds, suspension of processing or termination of this Agreement by Processor pursuant to this paragraph. Processor will assess all fees and expenses incurred in relation to its investigation of suspicious or unusual Transaction activity, which includes activity that deviates from this Agreement. In addition, Processor's monthly investigation fee for conducting its internal investigation of suspicious activity shall be a monthly amount equal to up to ten percent (10%) of the initial dollar amount being investigated.

6 Exclusivity.

During the term of this Merchant Application and Agreement, you shall use Processor as your exclusive provider of all Services unless we have otherwise specifically agreed in writing.

7 Fees; Adjustments; Collection of Amounts Due

7.1 You shall be charged fees for the Services, which shall be calculated and payable pursuant to this Merchant Application and Agreement and any additional pricing supplements. You agree to pay any fines imposed on either Processor or Bank by an Association or Debit Card network resulting from Chargebacks and any other fees or fines imposed by an Association with respect to your acts or omissions. You are also obligated to pay all taxes, and other charges imposed by any governmental authority on the services provided under this Agreement. Through ACH, Bank or Processor will debit your Settlement Account, daily or monthly as applicable, for the following fees. (See Sections 1.3, 2.2, 8.5, 10.3, 13, 16 and this Section 7 for additional fees that may apply. Please also see ACH approvals at the end of the Agreement.)

a) Merchant may be assessed a monthly investigation fee of up to ten percent (10%) of the dollar amount investigated for any suspicious or unusual Transaction activity or any Transaction activity which deviates from this Agreement. (See 5.4)

b) \$10.00 audit fee for each diversion of Merchant's funds by Processor pursuant to its monitoring of Merchant's Settlement Account. (See Section 5.4)

c) \$25 monthly statement fee for any diverted Reserve Account established by Processor in Merchant's name. (See Section 19)

d) A fee for each returned ACH debit. See Page 2 and Section 8 for more information on the ACH settlement process and the initiation of credits and debits to your account.

e) Merchant will be assessed a one-time fee of \$35.00 if Merchant's keyed Transactions exceed 15% of the total dollar amount of all VISA/MasterCard Transactions made in a thirty (30) day period. Thereafter, a fee of 1.5% of the total dollar amount of these Transactions will be assessed any month in which the dollar amount of keyed Transactions exceeds 15% of the total dollar amount of all Transactions. Such fee shall be in addition to any additional discount applied for keyed Transactions.

f) A monthly fee not to exceed \$25 per merchant account (MID) for governmental compliance in support of programs developed by Processor to ensure compliance with all federal regulations as mandated, inclusive of, but not limited to, annual income reporting, Tax ID number, "TIN", and Legal name matching. Notwithstanding the foregoing, additional fees, not to exceed \$50 per month may be assessed for a non-matching TIN and Legal Name.

7.2 Discount Rates are charged on all sales and refunds. All Discount Rates will be deducted daily.

7.3 You acknowledge that for Discover, Visa and MasterCard Transactions, we will process your Card Transactions at the Rate 1 Discount Rate only when your Transactions meet certain criteria set by the applicable Association and us. When your Card Transactions fail to meet those qualification criteria, we will process your Transactions at the higher Rate 3 Discount Rate (or, in certain circumstances, at an intermediate Rate 2 Discount Rate) indicated in this Merchant Application and Agreement.

7.4 The fees for Services set forth in your Merchant Application and Agreement may be adjusted to reflect changes by the Associations in interchange, assessment and other Association fees or to pass through increases charged by third parties. All such adjustments shall become effective upon the date determined by the applicable Association or third party, or upon such other date as identified by us. The Association fees are subject to change and additional categories of fees may be added. For further information on Association fees and pass through increases, please see the Association's website. 7.5 Subject to Section 15.1, we may also increase the rates and/or fees for Services for any other reason (excluding Association increases which are discussed in Section 7.4) by notifying you at least twenty (20) days prior to the effective date of any such change.

7.6 You are responsible for purchasing all supplies required to properly process Card transactions (sales slips, printer rolls, etc.) If you elect to participate in the Merchant Maintenance Supply/Replacement Program ("MMP"), you understand that supply quantities provided by CD will be based on your monthly transaction count. Provided Merchant is current on its MMP fees as stated in this Merchant Application and Agreement and not otherwise in breach of this Merchant Application and Agreement, after at least one statement cycle, should the Merchant's printer, pin pad, peripheral or terminal become defective as a result of normal business usage and through no fault of Merchant or any third party, Processor shall facilitate the exchange of said processing equipment, whether or not the device at issue is under a manufacturer's warranty, for a refurbished device (same in model, form, features, and function as the defective device) at no charge within 24 to 48 hours. If a defective terminal is obsolete, not compatible with industry required software applications, the Payment Card Industry Data Security Standards ("PCI DSS") of compliant terminals/peripherals, or otherwise unavailable, a similar terminal (similar in form, features, and function as the defective terminal) will be exchanged. YOU ARE REQUIRED TO RETURN THE DEFECTIVE DEVICE AS DIRECTED BY PROCESSOR. YOU SHALL BE CHARGED FOR ANY EQUIPMENT SENT TO YOU IF THE DEFECTIVE DEVICE IS NOT RETURNED AS DIRECTED BY PROCESSOR. Equipment is under warranty for the life of merchant's enrollment in MMP. Terminal/Peripheral replacement will only apply to those terminals/peripherals that have submitted or settled batch/transactions. A monthly fee is required for each terminal/peripheral you have. The initial term of the MMP is thirty-six (36) months, continuing month to month thereafter. Termination of this Merchant Application and Agreement terminates the MMP. CD may choose to cancel the merchant's MMP at any time without notice. This program does not cover (i) terminal/peripherals that have been subject to water damage; (ii) products that have been damaged due to alteration or modification and (iii) non-Payment Card Industry Data Security Standards ("PCI-DSS") compliant terminals/peripherals. In these instances, the Merchant will be charged the full purchase price of the refurbished replacement equipment. This program is non-transferable without written consent.

7.7 Other Amounts Owed. You will immediately pay Processor and Bank any amount incurred by Processor and Bank attributable to this Merchant Application and Agreement including but not limited to Chargebacks, fines imposed by Visa or MasterCard, non-sufficient fund fees, and ACH debits that overdraw the Designated Account, Reserve Account or are otherwise disallowed. You authorize Processor and/or Bank to debit via ACH the Designated Account, Merchant Account, or any other account you have at Bank or at any other financial institution for any amount you owe Processor or Bank under this Agreement or under any other contract, note, guaranty, instrument or dealing of any kind now existing or later entered into between you and Processor or Bank, whether your obligation is direct, indirect, primary, secondary, fixed, contingent, joint or several. In the event Processor or Bank demand sums due or such ACH does not fully reimburse Processor and Bank for the amount owed, you will immediately pay Processor and Bank such amount.

8 Electronic Funding

8.1 To the extent the Automated Clearing House (ACH) settlement process is used to debit or credit your Settlement Account and Reserve Account (if one is established for you in accordance with Section 19), you agree to be bound by the terms of the operating rules of the National Automated Clearing House Association (NACHA). You hereby authorize us (Bank and Processor) to initiate credit and debit entries and adjustments to your account through the ACH settlement process and/or through direct instructions to (or such other arrangements as Bank and/or Processor deem appropriate) the financial institution where your Settlement Account and Reserve Account are maintained for amounts due under this Merchant Application and Agreement and under any agreements with us or our affiliates for any related services, as well as for any credit entries in error. You hereby authorize the financial institution where your Settlement Account and Reserve Account are maintained to make all such debits and credits to your account. This authorization remains in full force and effect until all monies due under this Merchant Application and Agreement and under any other agreements with us or our affiliates for any related services have been paid in full.

8.2 After you submit sales and credit drafts, you will receive settlement funds through ACH credit. We will initiate a transfer of such applicable settlement funds through ACH to your Settlement Account. Settlement by ACH credit generally will take place the second banking day after we process the applicable Card Transactions. Settlement funds will be net of discount and all other amounts then due from you.

8.3 If you believe any adjustments should be made with respect to your Settlement Account, you must notify us in writing within sixty (60) days after any debit or credit to or should have been affected.

8.4 If after your account has terminated, you fail to instruct Processor and/or Bank as to where to transmit funds that are being held and that are due to you, Processor and/or Bank may deduct from those funds Processor and/or Bank's fees and reasonable costs associated with the maintenance of such funds on a monthly basis.

8.5 The following is a partial list of reasons for other debits to your Settlement Account. Processor and/or Bank may add to this list as required: (a) Association fees, charges and fines assessed as a result of your Transactions; (b) currency conversion errors; (c) fees and Chargebacks not previously charged; (d) ACH reject fees; and (e) deposits posted in error. For additional reasons, refer to your Operating Procedures.

9 Other Entitlements

9.1 American Express is subject to separate approval.

9.2 Discover is subject to separate approval.

9.3 JCB is subject to separate approval. By executing this Application and Agreement, you hereby request that Bank, relay JCB Cards for Authorization, data capture and funding.

10 Chargebacks

10.1 You are responsible for reimbursing Processor and/or Bank for any Transaction that is charged back by the Card Issuing Bank and/or the Cardholder and for related fees.

10.2 Among the reasons that a Transaction may be charged back are:

Merchant Initials: X _____ CD Initials: X _____

10.2.1 A Cardholder disputes the validity of a Transaction;
10.2.2 A Cardholder disputes the quality or receipt of goods or services;
10.2.3 A copy of the Sales Draft was not provided when requested, or the copy provided was improperly completed or illegible in whole or in part;
10.2.4 A credit was not provided to the Cardholder;
10.2.5 The Transaction was not authorized by the Issuing Bank at the time of sale, or efforts were made to avoid a decline of the Authorization (such as, but not limited to, attempts to obtain an Authorization after receiving either a decline or a Referral to a call center or splitting a sale across multiple Transactions of the same Card);
10.2.6 The Sales Draft was not imprinted using an imprinting machine (an electronic swipe of the magnetic stripe on the Card may only substitute for a manual imprint if the Transaction is electronically authorized by the terminal after the swipe. In situations where the account number is keyed into the terminal or where the terminal provides a Referral response, a physical imprint of the Card on the Sales Draft is mandatory);
10.2.7 All mail order/telephone order and Internet sales are at your risk and are subject to Chargeback;
10.2.8 Any other circumstance where a Transaction is charged back.
10.3 You will incur a Chargeback Fee each time a Transaction is charged back or reversed to you. Your Chargeback Fee may be doubled in the event of Excessive Chargebacks as defined in Section 28 of this Agreement. If we reverse a Chargeback on your behalf and the Issuing Bank disputes the reversal (which may occur through a subsequent Chargeback, a pre-arbitration demand or an arbitration demand), the Transaction may be charged back again, and you will incur an additional Chargeback Fee. You may also be charged an arbitration fee of up to \$500 and/or incur "good faith" connection fees in connection with a disputed Chargeback.
10.4 Merchant hereby grants a security interest in any Settlement Account and/or any substitute account now and in the future and all proceeds thereof, to Bank and/or Processor to secure all fees, costs and charges due in accordance with this Merchant Application and Agreement. Bank and/or Processor are authorized to file financing statements relating to the Settlement Account without Merchant's signature. Merchant appoints Bank and/or Processor as its attorney-in-fact to execute such documents as may be necessary or desirable to accomplish performance of any security interest. This appointment is coupled with an interest and shall be irrevocable for the life of (i) as long as Merchant owes any amount to Bank and/or Processor; or (ii) ten months following termination of this Agreement. You must maintain sufficient funds in your designated Settlement Account to cover all Chargebacks and other amounts owed under this Agreement. Simultaneously, with each Transaction processed by you, we have a contingent and un-matured claim against you for any amount we must pay as a result of your processing of Transactions, including, but not limited to, any Chargebacks, fees, discounts, customer credits and adjustments, charges, fines, assessments and penalties. All settlements or credits given or payment made by us to you in connection with your Transactions are provisional, and subject to revocation, Chargeback or refund, subject to the terms and conditions of this Merchant Application and Agreement and associated Rules. Your right to receive any amounts due from us is expressly subject and subordinate to our Chargeback, set-off, lien and security interest rights with regard to whether such Chargeback, set-off, lien and security interest rights are applied to claims that are liquidated, un-liquidated, fixed, contingent, matured or un-matured. WE MAY WITHOUT FURTHER NOTICE, ELECTRONICALLY DEBIT YOUR SETTLEMENT ACCOUNT TO COVER ALL SUMS OWING TO US PURSUANT TO THIS MERCHANT APPLICATION AND AGREEMENT, INCLUDING, BUT NOT LIMITED TO, AMOUNTS OWING FOR CHARGEBACKS, RELATED FEES AND FINES IMPOSED BY CARD ASSOCIATIONS.

11 Representations; Warranties

11.1 For each Card Transaction submitted to us, you warrant the following: (a) it is a lawful sale/rental not previously submitted and is only for the items sold or rented (including taxes, but without any surcharge); (b) it represents an obligation of the Cardholder for the Transaction amount; (c) it is not an amount charged subject to any dispute, set-off or counterclaim; (d) it is for merchandise or service actually delivered or performed at the same time you accepted and submitted the Card for processing (except for any delayed delivery or advance deposit Transactions expressly authorized by this Merchant Application and Agreement); (e) it is not the refinancing of an existing obligation of the Cardholder or arising from the dishonor of a personal check; (f) that you have no knowledge or notice that the Transaction is improper, fraudulent or unauthorized; (g) that the Transaction is between you and the Cardholder; (h) is not the deposit of a credit Transaction without a preceding debit; and (i) the Transaction is made in accordance with this Merchant Application and Agreement, the Operating Procedures and Association Rules.
11.2 THIS IS A SERVICE AGREEMENT. WE DISCLAIM ALL OTHER REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, THOSE REGARDING QUALITY, SUITABILITY, MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR OTHERWISE OR ANY SERVICES OR ANY GOODS PROVIDED INCIDENTALLY TO THE SERVICES PROVIDED UNDER THIS MERCHANT APPLICATION AND AGREEMENT.

12 Limitations on Liability; Exclusion of Consequential Damages

12.1 IN NO EVENT SHALL PROCESSOR OR BANK, OUR AFFILIATES OR ANY OF OUR/THEIR RESPECTIVE DIRECTORS, OFFICERS, EMPLOYEES, AGENTS OR SUBCONTRACTORS, BE LIABLE UNDER ANY THEORY OF TORT, CONTRACT, STRICT LIABILITY OR OTHER LEGAL THEORY FOR LOST PROFITS, LOST REVENUES, LOST BUSINESS OPPORTUNITIES, EXEMPLARY, PUNITIVE, SPECIAL, INCIDENTAL, INDIRECT OR CONSEQUENTIAL DAMAGES, EACH OF WHICH IS HEREBY EXCLUDED BY AGREEMENT OF THE PARTIES, REGARDLESS OF WHETHER SUCH DAMAGES WERE FORESEENABLE OR WHETHER ANY PARTY OR ANY ENTITY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.
12.2 NOTWITHSTANDING ANYTHING IN THIS MERCHANT APPLICATION AND AGREEMENT TO THE CONTRARY (INCLUDING, BUT NOT LIMITED TO, SECTIONS 12.3 or 21, OUR CUMULATIVE LIABILITY FOR ALL LOSSES, CLAIMS, SUITS, CONTOVERSIES, BREACHES OR DAMAGES FOR ANY CAUSE WHATSOEVER (INCLUDING, BUT NOT LIMITED TO, THOSE ARISING OUT OF OR RELATED TO THIS MERCHANT APPLICATION AND AGREEMENT) AND REGARDLESS OF THE FORM OF ACTION OR LEGAL THEORY SHALL NOT EXCEED (I) \$50,000 OR (II) THE AMOUNT OF FEES RECEIVED BY US PURSUANT TO THE MERCHANT APPLICATION AND AGREEMENT FOR SERVICES PERFORMED IN THE IMMEDIATELY PRECEDING TWELVE (12) MONTHS, WHICHEVER IS LESS.

12.3 NEITHER PROCESSOR NOR BANK SHALL BE RESPONSIBLE OR LIABLE FOR ANY ACTION TAKEN BY PROCESSOR OR BANK (OR THE RESULTS THEREOF) WHICH IS AUTHORIZED BY THIS AGREEMENT. WE MAKE NO WARRANTIES, EXPRESS, IMPLIED OR STATUTORY IN CONNECTION WITH THIS AGREEMENT AND, WITHOUT LIMITING THE FOREGOING, WE DISCLAIM ALL WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. WE SHALL NOT BE RESPONSIBLE OR LIABLE FOR ANY INFORMATION PROVIDED BY OTHERS OR FOR THE USE OF ANY SYSTEM OR EQUIPMENT OF PROCESSOR, BANK OR OTHERS OR FOR ANY CIRCUMSTANCES BEYOND OUR CONTROL.

22b. **Deposit.** Merchant authorizes Cynergy to debit from the account indicated below ("Account") a security deposit of up to the value of the Equipment, which will be held until the Equipment is returned to Cynergy, plus shipping. Upon return of the Equipment the deposit will be returned to Merchant.

Merchant will not sell or lease the Equipment, and will not allow anyone else to use the Equipment for any reason.

22d. **Maintenance.** Merchant acknowledges that it has been trained on the proper use of the Equipment. Merchant will maintain the Equipment in good condition and repair. Merchant authorizes Cynergy to debit the Account indicated in the Merchant Processing Agreement for any amount owed under this agreement.

22g. **Equipment Returns for Replacement.** Merchant shall have the ability to return a defective terminal for replacement during the term of this Loaner Agreement as follows:
