TERMS AND CONDITIONS

SECTION 1. DEFINITIONS.

For purposes of this Agreement, the following capitalized terms shall have the meanings set forth below:

"Authorized Card Transaction" shall mean a sales transaction involving a Transaction Card, provided the transaction has been authorized by the Transaction Card issuer, as contemplated by this Agreement.

"Deposit/Chargeback Account" shall mean the U.S. banking accounts established and owned by Customer to be utilized by Bank for the settlement of transactions involving Transaction Cards and the payment by Customer of amounts due under this agreement. SECTION 2. RULES AND REGULATIONS.

Customer agrees to abide by the Rules of the Payment Networks. Without limiting the foregoing, Customer agrees to comply with such Rules or with such more stringent standards as set forth herein, as to authorizations, "floor limits," preparation of sales slips, signature verifications, refunds and charge backs; provided, however, Customer acknowledges that Customer has a zero "floor limit" and that all charges must be authorized, unless Customer is approved by WorldPay and Bank for non-authorized transaction payment schedule. Customer further agrees to comply with all federal and state laws, rules and regulations. Customer shall not require cardholders to provide personal information such as home or business telephone number, home or business address, or any form of identification (such as a driver's license) as a condition for accepting a Transaction Card, unless required by the Rules. In the event Customer fails to comply with this Section 2, Customer will be liable for all fees and fines imposed by the Payment Networks and will indemnify and hold harmless Bank and WorldPay from and against any and all damages suffered by Bank and WorldPay as a result of such failure. Customer delegates to WorldPay and Bank the selection of routing preferences related to the processing of all debit cards.

SECTION 3. SERVICES.

3.1 Services Provided by WorldPay. WorldPay agrees to provide authorization, electronic draft capture, submission of drafts to Payment Networks, merchant accounting, and additional related services for Transaction Card sales originated by Customer as set forth in this Agreement.

3.2 Services Provided by Bank. Bank shall settle all Visa/MasterCard/Discover (and certain other credit and debit cards) transactions processed by WorldPay hereunder in accordance with this Agreement and the Rules.

SECTION 4. PROCESSING AND PAYMENTS.

4.1 Submission of Transactions. Customer will transmit to WorldPay information representing Customer sales to be authorized and settled (paid) by Transaction Cards using WorldPay's electronic draft capture and authorization service. Customer shall transmit transactions to WorldPay at the time of each sale or as soon thereafter as practicable. It is understood that the time of receipt by WorldPay will affect the timing of settlement and payment to Customer. If Customer fails to submit transactions on a timely basis as provided herein and as provided in the Rules, transactions may be subject to increased interchange fees, and Customer agrees to pay such fees.

4.2 Payment of Visa/MasterCard/Discover. Customer hereby designates Bank and WorldPay as its agent to receive all payments pertaining to Customer's Visa/MasterCard/Discover drafts. All payments required to be made to Customer under this Agreement for Visa/MasterCard/Discover will be made by Bank to Customer's Deposit/Chargeback Account, via electronic funds transfer through the Automated Clearing House ("ACH") or by federal wire transfer as soon as practicable after Bank's receipt of such funds from the Transaction Card issuer.

4.3 Payment of Non Visa/MasterCard/Discover Cards. Customer hereby designates Bank and WorldPay as its agent to receive all payments pertaining to Customer's Non Visa/MasterCard/Discover Card drafts except when WorldPay's role is to provide authorization only services. All payments required to be made to Customer under this Agreement for Non Visa/MasterCard/Discover Cards will be made by WorldPay to Customer's Deposit/Chargeback Account via electronic funds transfer through ACH or federal wire transfer as soon as practicable after Bank and WorldPay's receipt of such funds from the relevant Transaction Card issuer.

4.4 Customer Deposit/Chargeback Account. Customer hereby certifies that the Deposit/Chargeback Account number provided by Customer to WorldPay is correct and warrants that this account number may be relied upon for ACH debit and/or credit transactions as they occur in relation to this Agreement and are presented to Customer's bank. Customer agrees not to close or restrict Bank and WorldPay's access to the Deposit/Chargeback Account.

4.5 Customer Transactions. Customer may not present for processing, directly or indirectly, any transaction which was not originated as a result of an act between the cardholder and Customer or which is not an Authorized Card Transaction. Customer may contact the authorization center by magnetic stripe reading terminal, telephone or any other means acceptable to Bank and WorldPay. With respect to telephone and mail order transactions, Customer shall obtain the expiration date of the Transaction Card as part of the authorization inquiry and utilize address verification where possible.

4.6 Telephone, Internet and Mail Orders. If Customer is authorized by WorldPay and Bank to accept telephone, Internet or mail orders, authorization for each such transaction, regardless of the face amount, must be obtained. Customer assumes all responsibility for identification of the cardholder and the validity of the Transaction Card information for telephone, Internet and mail orders. For telephone and mail order card transactions where merchandise is to be shipped or delivered to the cardholder, the shipping date shall not be more than five calendar days after the authorization is obtained, and any shipping costs not included in the authorization amount must not exceed 15% of the amount authorized. An installment payment option may be offered for telephone, Internet or mail order merchandise if all items are clearly disclosed, each installment is authorized, the first installment is not submitted for settlement until the merchandise is shipped, and subsequent installments are submitted no more frequently than monthly. Under no circumstances may Customer require that a cardholder complete a postcard or other document, which displays the cardholder's, account data in plain view when mailed. Calculation, collection and remittance of sales tax are the sole responsibility of the Customer.

4.7 Data Security. Customer acknowledges that it is bound to abide by all standards, guidelines, practices or procedures recommended or required by the applicable Payment Networks with respect to data security or protection of cardholder data, as such may be amended from time to time (collectively "Data Security Guidelines"), including, without limitation, Payment Card Industry Data Security Standards ("PCI"), PIN Entry Device Standards ("PIN"), and Payment Application-Data Security Standards ("PA-DSS"). Currently, the PCI guidelines require Customer (a) to observe, among other things, standards of due care with regard to the protection of sensitive cardholder information; and (b) to insure that its point of sale equipment and applicable software comply with PCI guidelines. Currently, the PCI guidelines are based on a list of twelve basic security requirements with which all payment system constituents need to comply. The requirements are:

- (1) Install and maintain a firewall configuration to protect cardholder data;
- (2) Do not use vendor-supplied defaults for system passwords and other security parameters;
- (3) Protect stored cardholder data;
- (4) Encrypt transmission of cardholder data across open, public networks;
- (5) Use and regularly update anti-virus software;
- (6) Develop and maintain secure systems and applications;
- (7) Restrict access to cardholder data by business need-to-know;
- (8) Assign a unique ID to each person with computer access;
- (9) Restrict physical access to cardholder data;
- (10) Track and monitor all access to network resources and cardholder data;
- (11) Regularly test security systems and processes; and
- (12) Maintain a policy that addresses information security.

Customer must also notify WorldPay of all third parties who have access to cardholder data on behalf of Customer (i.e., store, process or otherwise transmit cardholder data).

Customer acknowledges such third parties are required by the Payment Networks to be registered, and Customer agrees to cooperate with WorldPay in completing such registration and be responsible for all fees imposed by the Payment Networks in connection therewith. If Customer knows or suspects a security breach, Customer shall notify WorldPay immediately. Customer shall then go through its program to identify and remediate the source of the suspected compromise. If a Payment Network requires Customer to submit to an audit in connection with a breach or suspected compromise of cardholder data or any other breach of Data Security Guidelines, Customer shall cooperate with such audit and shall be responsible for the cost of the audit. Customer acknowledges that if a Payment Network determines that Customer was responsible for a disclosure of cardholder transaction information or other breach of Data Security Guidelines, WorldPay, Bank, and Customer may be subject to fines and penalties imposed by the Payment Network. Further, if the Customer is responsible for a disclosure of cardholder transaction information, WorldPay, Bank, and Customer may be subject to potential third party claims. Customer hereby agrees to indemnify and hold WorldPay and Bank harmless from and against any and all claims, demands, damages, fines,

and/or penalties imposed upon Bank and WorldPay as a result of Customer's non-compliance with the Data Security Guidelines, Customer's failure to maintain equipment and software that complies with Data Security Guidelines, or any other data compromise for which a Payment Network or a court with competent jurisdiction determines that Customer is responsible, including, without limitation, Chargebacks resulting from breach of the Data Security Guidelines or any compromise of cardholder data. Customer's obligations under this Section 4.7 shall survive termination of this Agreement. Customer shall notify WorldPay and Bank prior to changing its payment application software (including any change in versions of such software). Customer further agrees to provide the new payment application name and version number prior to submitting any transactions to WorldPay utilizing the new payment application (including new versions).

4.8 Customer Web Site Requirements. If Customer is authorized by WorldPay and Bank to accept Internet orders over an Internet web site, Customer is required to specifically comply with all Rules with respect to the sequence of web pages that the cardholder accesses during the checkout process.

4.9 Retention of Documents. Bank and WorldPay may examine and verify at reasonable times all records of Customer pertaining to card transactions processed by WorldPay hereunder, and Customer agrees to preserve such records, including sales drafts, credit drafts and all other written evidence of such transactions, for a period of at least two years from the date of the draft.

SECTION 5. PRICING.

5.1 Pricing. As consideration for the services set forth in Section 3 hereof, Customer shall pay Bank, or WorldPay on behalf of Bank, Processing Charges in the manner and pursuant to the accompanying Fee Schedule.

5.2 Deduction of Processing Charges. The Processing Charges will be deducted by Bank, or WorldPay on behalf of Bank, from the Customer's Deposit/Chargeback Account. Customer hereby authorizes Bank or WorldPay to debit the Processing Charges by ACH from Customer's Deposit/Chargeback Account. Bank, or WorldPay with Bank's approval, from time to time, may modify, amend, or supplement the Fee Schedule by providing notice thereof to Customer, and stating the date upon which such modifications, amendments, or supplements shall be effective, which date shall not be fewer than 15 days after the date of the notice.

5.3 Discount Rates. Tiered discount rates (as determined by Bank and WorldPay from time to time) shall be applied to card transactions in consideration of Visa/MasterCard/Discover interchange rates and shall apply to each Visa/MasterCard/Discover transaction processed hereunder. Tiered discount rate transaction group designations include, but are not limited to, factors such as: voice authorization instead of electronic authorization; Transaction Card is keyed instead of swiped; there is more than one authorization per transaction; transmit/settle for processing greater than 24 hours from the authorized time but less than 48 hours from authorization time; transactions not settled within 48 hours of authorization; and Visa/MasterCard/Discover Business Card transactions. Decisions as to which tier a particular transaction type is to be placed is subject to change.

5.4 Estimated Averages. The Processing Charges set forth in the accompanying Fee Schedule, application for processing, or any additional pricing supplement are based upon assumptions associated with the anticipated annual volume, average transaction size (as shown on the application) and Customer's method of doing business. If the actual volume or average transaction size is materially different, or if Customer significantly alters its method of doing business (i.e., the nature and type of business conducted by Customer), WorldPay or Bank may adjust Customer's Processing Charges without prior notice. Any such adjustments would be in addition to, and not in lieu of, any other remedies available to WorldPay or Bank hereunder.

5.5 Additional Expenses. The Processing Charges set forth in the accompanying Fee Schedule may be adjusted to reflect increases, decreases, or new interchange, assessments, or other fees by the Payment Networks, or to pass through increases charged by third parties for online communications and similar items. The criteria used to assess transaction level qualification are subject to change based on amendments to Payment Network interchange qualification criteria and/or pricing. All such adjustments shall be Customer's responsibility to pay and shall become effective upon the earlier of (i) the day such increases or decreases are assessed to Bank or WorldPay, or (ii) the date specified in any notice sent pursuant to Section 5.2. To the extent that WorldPay provides services to Customer in connection with issues with the Payment Networks, including without limitation, services related to excessive Chargebacks, excessive fraud, data security or PCI issues, allegations of failure to comply with the Rules, assistance with registration or other actions required or appropriate in order for Customer to comply with the Rules, responding to requests or communications from the Payment Networks, or similar services, such services shall be provided by WorldPay at WorldPay's then current standard hourly rate. To the extent, that Customer is classified by the Payment Networks in a "high risk" or similar category, additional fees may apply. WorldPay shall notify Customer of such classification, as well as the related additional fees. If the additional fees related to such high risk classification are unacceptable to Customer, Customer may terminate the Agreement without penalty by notifying WorldPay in writing of such termination, provided such notice is sent within 15 days following the date of the fee notice.

5.6 Payment for Equipment. All telephone equipment and line charges, POS terminal equipment, installation, maintenance, charges, utility costs, and related communication charges shall be paid by Customer. The Customer hereby authorizes Bank or WorldPay to debit the fees from Customer's Deposit/Chargeback Account for any outstanding balances owed WorldPay or Bank for such costs.

5.7 Equipment/Software Usage. Customer shall be responsible for any claims, demands or increased fees (including interchange downgrade expenses) that result from Customer's (a) use of Value Added Reseller (VAR) or POS Software Provider Point of Sale systems that do not use the WorldPay authorization network; (b) failure to maintain the most current version of WorldPay certified software; or (c) misuse of WorldPay certified software. Customer understands and agrees that equipment and point of sale terminals which bear the WorldPay name are compatible only with WorldPay's proprietary processing system and can not be reprogrammed to permit transactions to be

processed by any other processor or competitor, either during or after the termination of this Agreement.

5.8 Changes in Rules. If there is a change in the Rules or a change in the regulations of a pertinent governmental agency, which change would make a provision of this Agreement in conflict with such Rule or regulation, Bank or WorldPay may unilaterally amend this Agreement, upon written notice to Customer and the other party, to conform and/or be compatible with such changed Rules or regulations.

SECTION 6. CHARGEBACKS.

6.1 Retrieval Requests. - (r) Merchant is listed on the Questionable Merchant Report.

Additions and deletions to this list may occur as the Rules change.

6.3 Reserve Fund. If required by Bank or WorldPay at the time this Agreement is executed, Customer shall establish with Bank a Reserve Fund. Further, at any time during the term of this Agreement, Bank and WorldPay may determine in their reasonable discretion that it is necessary to create or additionally fund a Reserve Fund. In which case, Bank or WorldPay shall have the right, after three days written notice to Customer, to establish, replenish or increase a Reserve Fund by debiting Customer's daily collected transactions. If such collections are inadequate in Bank's and WorldPay's reasonable discretion to adequately establish, replenish or increase the Reserve Fund in a timely manner, Bank or WorldPay may deduct by ACH debit from the Customer's Deposit/Chargeback Account additional sums as necessary, in their reasonable discretion, to establish an adequate Reserve Fund. Upon termination of this Agreement, the funds held in the Reserve Fund shall be used to fund the account described in Section 10.4, up to the estimated aggregate dollar amount of Customer's Chargebacks and other obligations and liabilities that Bank and WorldPay anticipate subsequent to termination as set forth in Section 10.4, and any excess shall be refunded to Customer. Bank or WorldPay may charge for Chargebacks, as reflected in the accompanying Fee Schedule, processed after the termination of this Agreement if Customer's drafts are processed and/or settled by another transaction processor and/or the Transaction Card issuer. Customer acknowledges and agrees that Bank and WorldPay shall have a perfected first priority security interest in the Reserve Fund.

6.4 Temporary Holdback. In addition to any of the other rights granted to Bank in this Section 6, in the event that Bank and WorldPay, at any time during the term of this Agreement, determine in their reasonable discretion that it may be prudent or necessary to do so as a result of any unusual or suspicious activity involving Customer's account, a cardholder's account, or otherwise, Bank or WorldPay on behalf of Bank may hold in Bank's name and in a non-segregated and non-interest bearing account for such period as Bank or WorldPay, in their reasonable discretion, deems necessary, funds

otherwise due Customer to reimburse Bank for potential Chargebacks, credits issued by Customer, or other amounts payable by Customer to WorldPay or Bank under this Agreement in respect of such activity. To the extent (i) the investigation conducted by WorldPay and Bank with respect to the unusual or suspicious activity determines that such activity is reasonably likely to result in amounts being due from Customer to WorldPay or Bank, and (ii) WorldPay or the Bank requires the establishment of a Reserve Fund in connection therewith, then the funds held pursuant to this Section 6.4 may be used to fund such Reserve Fund.

6.5 Chargeback Reimbursements. Customer agrees to reimburse Bank for the amount of the draft in the event of a Chargeback and pay a handling fee for each Chargeback in the amount set forth on the accompanying Fee Schedule, as updated or amended from time to time. Customer is responsible for verifying its daily deposits and monthly statements for Chargebacks and Chargeback handling fees. Customer understands that it must respond to all Chargebacks within ten calendar days after notice of the Chargeback and that the failure to respond within each ten day period shall constitute a waiver by Customer of its ability to question or reverse a Chargeback and Customer shall be solely responsible if it fails to timely provide information with respect to a Chargeback.

6.8 Survival. Customer and any successor of Customer shall remain jointly and severally obligated to pay for all Chargebacks resulting from Transaction Card sales originated under this Agreement until Bank has been paid in full. This obligation shall survive the termination of this Agreement, regardless of whether termination was voluntary or involuntary as to Customer.

SECTION 7. ADDITIONAL CUSTOMER RESPONSIBILITIES.

7.1 Honoring Cards. Customer shall honor any valid Transaction Card that Customer has elected to accept hereunder, which is properly presented for use. Customer shall not discriminate against cardholders seeking to make purchases with a Transaction Card. Except as permitted by the Rules and applicable law, Customer shall not require a minimum transaction amount below which Customer will refuse to honor an otherwise valid Transaction Card. Customer shall adequately display promotional materials to inform the public that Transaction Cards will be honored by Customer.

7.2 Sales Transactions. Except for transactions originated by telephone, mail order or through the Internet, Customer agrees to:

In the case of delayed payment of the balance due on a transaction, Customer agrees (i) to note on the draft the words "balance" and (ii) not to present the "balance" sales draft until all of the goods are delivered or the services performed.

7.4 Returns. Customer agrees to maintain a fair policy for the exchange and return of merchandise and for adjustment of services rendered and to give proper credit in such circumstances in accordance with the Rules. Customer shall not make cash refunds to cardholders for card transactions.

7.5 Obligation to Report Statement Discrepancies. Customer shall be solely responsible for reviewing its statements related to transactions under this Agreement (including statements provided online) and for reporting to WorldPay in writing, within 30 days of Customer's receipt (including electronic receipt) of any such statement, any underpayments, overpayments or other discrepancies of any items reflected on such statements. Customer acknowledges and agrees that WorldPay and the Bank shall not be liable or otherwise responsible to Customer, and shall have no obligation to reimburse Customer, for any underpayment or other discrepancy that is not reported to WorldPay in writing within 30 days of Customer's receipt of the applicable statement. Customer acknowledges and warrants that it shall reimburse WorldPay and/or the Bank upon demand for any misdirected deposits, duplicate deposits or inadvertent over payments into any of its bank accounts hereunder.

7.6 Charges to Cardholders. Customer shall not require any cardholder to pay any part of the Processing Charges, or to pay any contemporaneous finance charge in connection with a transaction in which a Transaction Card is used, unless permitted by the Rules.

7.7 Employee Fraud. Customer shall be solely responsible for losses and expenses incurred by Bank or WorldPay as a result of or arising out of the fraud, gross negligence or willful misconduct of Customer's employees, contractors, or agents.

7.8 Status. Customer is responsible for providing written notice to Bank and WorldPay of any change in the ownership status or composition of Customer. Any new owner of Customer or successor Customer shall be jointly and severally liable with Customer hereunder, unless the original Customer or successor thereof is released in writing by Bank and WorldPay.

7.9 Change of Address. Customer shall notify Bank and WorldPay in writing at least 48 hours in advance of any change of address. Bank and WorldPay shall be absolutely entitled to rely on Customer's address shown in this Agreement unless such address is updated in accordance herewith.

7.10 Cardholders. Customer shall not sell, purchase, provide or exchange account number information in the form of imprinted sales drafts, carbon copies of imprinted sales drafts, mailing lists, tapes or other media obtained by reason of a Transaction Card transaction to any third party other than Customer's agents, Bank, WorldPay, or Payment Networks, except as specifically required by law. Customer shall not make a cash disbursement to any cardholder (including Customer when acting as a cardholder) nor receive monies from a cardholder and subsequently prepare a credit to cardholder's account.

7.11 Evidence of Authority. Within five days after request by Bank or WorldPay, Customer shall submit to Bank or WorldPay a duly executed corporate or partnership resolution reflecting the authority of Customer to enter into this Agreement and the authority of the individual executing this Agreement on behalf of Customer to do so.

7.13 Financial Information. Customer shall provide such financial information as may be requested by WorldPay or Bank from time to time during the term of this Agreement in order for WorldPay or Bank to comply with the Rules of any Payment Network or to otherwise enable WorldPay and Bank to assess the Customer's financial condition and the related risk associated with Customer's business. Such financial information may include copies of quarterly and annual financial statements, including, if available, audited statements.

SECTION 8. CUSTOMER REPRESENTATIONS.

- 8.1** Customer hereby represents and warrants to WorldPay and Bank that:
- (a) It has full legal power and authority to enter into and perform its obligations under this Agreement and that such actions have been duly authorized by Customer;
 - (b) Its facsimile signature hereon constitutes a valid and binding Agreement;
 - (c) This Agreement constitutes the legal, valid and binding obligations of Customer, enforceable against Customer in accordance with its terms;
 - (d) The transactions transmitted to WorldPay for processing and to the Bank for settlement will represent the indebtedness of the cardholder in the amount set forth therein for goods sold or services rendered and shall not involve any element of credit for any other purpose;
 - (e) Customer shall not transmit Transaction Card information representing sales made by any individual or entity other than Customer;
 - (f) Customer represents that all of the disclosures in its application to Bank are true, accurate and complete and do not omit any information necessary to make such disclosures not misleading to Bank and WorldPay; and
 - (g) As to each draft delivered to Bank, and as to the transaction evidenced thereby, the draft represents a bona fide sale or lease of goods or services or both, originated by Customer in compliance with this Agreement and the Rules; all drafts are free from any alteration not authorized by the cardholder; the transaction is in compliance with all applicable laws, ordinances, and regulations; the indebtedness represented by the draft has not been pledged as collateral for payment of any indebtedness or obligation of Customer or any other person; and Customer has no knowledge or notice of information that would lead it to believe that the enforceability or collectibility of the subject draft is in any manner impaired.

8.2 Application & Disclosure Requirements. Customer understands that this Agreement shall not be binding on WorldPay or Bank until Customer has been approved by Bank and that a consumer report of each of the officers, partners or owners of Customer may be requested from a consumer and/or credit reporting agency at the inception of this Agreement and from time to time thereafter

SECTION 9. INDEMNIFICATION, DISCLAIMER, LIMITED LIABILITY.

9.1 Indemnification. Customer agrees to indemnify and hold Bank and WorldPay harmless from and against any claims, demands or judgments made or recovered against either of them arising out of any breach by Customer of the terms of this Agreement or arising from any act or omission by Customer which violates any applicable federal, state or local laws, rules or regulations or which violates any of the Rules. Bank and/or WorldPay may defend any such claims or demands or request Customer to take up such defenses. In either event, Customer will further indemnify Bank and WorldPay for reasonable attorneys' fees or any other necessary expenses incurred by Bank or WorldPay, as applicable, by reason of such defense.

9.2 Disclaimer of Warranties. WorldPay and Bank hereby disclaim all warranties, with respect to the services and products provided hereunder, whether expressed, implied, statutory or otherwise, including without limitation, any warranty of merchantability or fitness for a particular purpose.

9.3 Limitation of Liability. Under no circumstances shall the financial responsibility of WorldPay or Bank for any failure of performance by WorldPay or Bank under this Agreement exceed the fees or charges paid to Bank or WorldPay for the transaction or activity that is or was the subject of the alleged failure of performance. In no event shall Bank or WorldPay, their agents, officers, directors, employees or affiliates, be liable for any special, incidental, consequential, punitive, or exemplary damages or claims by Customer or any third party relative to the transactions or activities hereunder, whether or not such damages were foreseeable.

SECTION 10. TERM, TERMINATION.

10.1 Term. This Agreement shall be binding upon Customer upon the earlier of (a) the date upon which the first transaction is processed by WorldPay or Bank for Customer, or (b) the execution of this Agreement by Customer. This Agreement shall be binding upon WorldPay and Bank upon WorldPay's and Bank's acceptance hereof (as evidenced by an authorized signature hereon). This Agreement shall continue in effect for a period of three years after the date on which Customer's first draft is presented to Bank following acceptance by WorldPay and Bank. Such term shall automatically renew for successive one year periods at the end of the original and each renewal term, unless either (i) Customer elects to terminate early by giving written notice of non-renewal to WorldPay and Bank at least 90 days before the expiration of the then current term, or (ii) terminated by WorldPay with Bank's approval or Bank by giving written notice to Customer (such termination to be effective as of a date set forth in such notice or, if no such date is set forth, to be effective as of the date such notice is received by Customer).

10.2 Termination Without Notice. WorldPay or Bank may terminate this Agreement without notice, at any time as a result of any of the following events: (a) any noncompliance by Customer with this Agreement or the Rules; (b) any voluntary or involuntary bankruptcy or insolvency proceedings involving Customer, its parent or an affiliated entity; (c) WorldPay or Bank deems Customer to be financially insecure; (d) Customer or any other person owning or controlling Customer's business is or becomes listed in the Combined Terminated Customer File (or its equivalent) maintained by the Payment Networks; (e) Customer materially alters the nature and type of business conducted, or (f) WorldPay or Bank is prohibited by applicable law from conducting business with Customer or its principles.

10.3 Termination With Notice; Early Termination. In the event WorldPay or Bank breaches any of the provisions hereof and fails to cure such breach within 30 days of receipt of written notice from Customer specifying such breach, Customer may terminate this Agreement immediately at the expiration of the 30 day cure period. If, prior to the end of the initial three year term, (a) Customer terminates this Agreement without cause or removes or fails to process with WorldPay and Bank transactions that are conducted at any location of Customer (as required by Section 11.2 of this Agreement), or (b) WorldPay or Bank terminates this Agreement pursuant to Section 10.2 (collectively, an "Early Termination"), then Customer shall pay to WorldPay, as an early termination fee, an amount equal to (a) \$295.00 per location if such Early Termination occurs on or prior to the first anniversary of this Agreement, (b) \$195.00 per location if such Early Termination occurs after the first anniversary of this Agreement and before the second anniversary of this Agreement, or (c) \$95.00 per location if such Early Termination occurs on or after the second anniversary of this Agreement and before the third anniversary of this Agreement. The parties agree that the damages that would be incurred by WorldPay as a result of any Early Termination are difficult to calculate, and the early termination fee described above is intended as a reasonable approximation of such damages and not as a penalty. Such termination fee may be off set against amounts otherwise due to Customer hereunder or may be deducted (by ACH debit or other electronic means) from the Deposit/Chargeback Account by Bank and WorldPay. Payment of any termination fee hereunder shall be WorldPay's and Bank's sole remedy with respect to such early termination, provided the foregoing shall not be deemed to waive Bank's or WorldPay's (i) rights to payment of any Processing Charges, Chargebacks, or other amounts payable hereunder that pertain to the period during which WorldPay and Bank processed or settled transactions for Customer under this Agreement or (ii) rights or remedies with respect to any violation of this Agreement by Customer other than the breach associated with the early termination. Customer's obligation to pay such early termination fee shall survive termination of this Agreement.

10.4 Additional Rights. Upon notice of any termination of this Agreement, Bank shall determine and Bank, or WorldPay on behalf of Bank, may notify Customer of the estimated aggregate dollar amount of Customer's Chargebacks and other obligations and liabilities that Bank and WorldPay reasonably anticipate may become due subsequent to termination, and Customer shall immediately deposit such amount with Bank or Bank may withhold such amounts from credits due to Customer or may utilize the funds in the Reserve Fund, if applicable. Bank is authorized to hold such funds for a reasonable period not to exceed the latter of the ten months after termination of this Agreement or the length of time applicable laws, rules or regulations impose actual or potential liability upon any party to this Agreement. Customer shall have no rights to such funds until all of its obligations under this Agreement are satisfied, and WorldPay and Bank may receive out of such funds those amounts that are or become due to WorldPay and Bank pursuant to this Agreement.

10.5 Survival. The obligations of all parties hereto incurred prior to the effective date of termination or arising from charges processed prior to the termination shall survive the termination of this Agreement. Without limiting the generality of the foregoing, Customer shall be liable both before and after termination for all Chargebacks relating to card transactions prior to such termination and for all obligations, warranties and liabilities of Customer pertaining to the period during which WorldPay and Bank

processed or settled transactions for Customer under this Agreement, including all indemnification obligations, regardless of whether Customer has paid an early termination fee under Section 10.3.

SECTION 11. GENERAL PROVISIONS.

11.1 Assignment; Binding; No Third Party Beneficiaries. Customer may not assign this Agreement, directly or indirectly, including by operation of law, without the prior written consent of the other parties. Any sale or transfer of the equity interests of Customer such that the holders of the equity interests as of the date hereof do not own more than 50% of the equity interests of Customer immediately after such transfer shall be deemed an assignment of this Agreement. The Bank may assign this Agreement without Customer's consent. WorldPay may assign its rights and obligations under this agreement to another transaction processor approved by the Bank. This Agreement shall be binding upon and inure to the benefit of the parties hereto, their successors or permitted assigns. This Agreement will not confer any rights or remedies upon any person or entity other than the Bank, WorldPay, and Customer.

11.2 Exclusivity. Customer agrees that throughout the term of this Agreement, it will not use the services of any bank, corporation, entity or person other than WorldPay and Bank to provide services similar to those contemplated in this Agreement.

11.3 Governing Law, Venue and Personal Jurisdiction. This Agreement shall be governed by and construed in accordance with the laws of the State of Georgia without giving effect to any choice or conflict of law provision or rule (whether of the State of Georgia or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of Georgia. In connection with any dispute relating to this Agreement, Customer and all individuals executing this Agreement in any capacity hereby consent to the exclusive jurisdiction of, and venue in, the courts in Atlanta, Georgia or Fulton County, Georgia.

11.4 Attorneys' Fees. In the event Bank or WorldPay shall employ legal counsel or bring an action at law or other proceeding against Customer to enforce any of the terms, covenants, or conditions hereof, Customer shall pay to Bank and/or WorldPay its reasonable attorneys' fees and costs so incurred.

11.5 Maintenance of Records by Electronic Means. Customer understands and acknowledges that WorldPay, in the ordinary course of its regularly conducted business activities, may keep or maintain certain of its business records and documentation by scanning such records and documents so as to create a photographic or other image or representation of same that may be stored by electronic means and, if necessary, subsequently reproduced in paper form. Customer hereby waives any objection to WorldPay's maintenance and/or reproduction of such records and documents in this manner, and Customer further agrees that it shall not challenge or contest the authenticity or admissibility of same on such grounds in any legal action or proceeding.
