## Need an API?

With real human support from end-to-end, plus chargeback assistance and next day funding available - Fattmerchant is committed to providing businesses with powerful technology and reliable service to ensure the best possible experience for your end-users.

---

### **Comprehensive Omni-Channel Solution:**

No matter how you process (online, in-app, in-store, over-the-phone), we've got you covered.

### **Straightforward Pricing Model:**

No markups, no added fees, and no contracts.

### **Accept Payments, Your Way:**

Invoices, manual and recurring payments, ACH, credit cards, and more - we offer your business flexibility in accepting payments.

### **Dedicated Relationship Manager:**

Our team ensures you have a seamless implementation from end-to-end, with zero disruptions to your day-to-day.

### **24/7 Level 1 Support:**

Have a question or need some help? Our award-winning, Orlando-based customer support team is just a phone call, email or chat away!

## Currently Using Stripe?

We believe in building long-term, strategic partnerships to help you grow your business.

To help us better understand your processing needs, we start with a full integration analysis with our innovative technology experts, and work with you to build a customizable payment solution that grows as you scale.
